Testimonials from our Clients

Nora and I just wanted to express our sincere gratitude for making our wedding day truly unbelievable. From the ballroom to the accommodations to the food and beverage, everything was perfect. EVERYTHING last night, this weekend and throughout the planning process was first class. Please pass this thank you on to your entire staff. We couldn't have envisioned yesterday going any better. We sincerely feel the Hilton Orrington was the only place that we could have had our perfect wedding.

Thank you again and have a fantastic new year,

Jeff and Nora- Chicago, IL

We want to thank you for all of your help with our graduation party! We heard resoundingly great feedback about the venue and service on Friday (attendees loved the food!), and we could not have been happier with how things turned out. We are especially appreciative of all of the support and flexibility you gave us leading up to the event, answering countless emails and providing logistical information. Thank you for your guidance and time- we look forward to highly recommending the next One-Year class to continue this great tradition at the Hilton Orrington.

Thank you again,
Brent & Shannon

We have had so much positive feedback from Saturday night, not to mention my own... that I can't express adequately our gratitude for all of your efforts and support in delivering a memorable and successful gala. Your staff was lovely, food and ambiance flawless... nothing but compliments to share... thanks so much for creating a wonderful evening for all and allowing us to make great profit for our programs

It was once again an absolute pleasure to be at your fine hotel. It was fun for me to share the experience with some of my team members as they have heard so much about the great Orrington. I love it, I can count on excellence at every turn...thank you.

Your staff, every single one of them, is stellar. You should be proud, these folks are exquisite.

Sincerely,

Thank you so much for making our dinner such a success. You and your team went out of their way to respond to every need and request in a gracious and timely manner. Your assistance took away a lot of the stress in organizing this event and allowed us to enjoy our guests and the dinner.

We look forward to working with you again on future events!

Our main event of the weekend went extremely well! Doing the ceremony in the round was a beautiful choice! One of our guests even made the comment that he's been to many Jewish weddings, and we impressed him with how well executed the ceremony was. Please pass along our thanks to our Confident, Capable and Courteous Banquet Captains who managed our reception. The presentation of the food was outstanding, and many of the guests commented on how great everything tasted.

Thanks to your entire team's effort, kindness and patience, you have given us a most magical and wonderful wedding to remember at the Hilton Orrington.

We had our daughter's wedding at your hotel this weekend, and I'm writing to tell you what an incredibly wonderful job your staff did. They were courteous, eager to help, and they moved people from one room to another easily and smoothly. All your staff were fabulously polite and helpful from the coat checker, to all the car valets, reservation desk help etc. Everyone was smiling and only asked "How can I help you"

From our daughter and our family and friends, we thank you so much and hope that we can have events at the Orrington again.

The wedding was wonderful!!! Your wait staff is so incredible. My father was sitting at the brunch commenting on how great they were and I couldn't have agreed more. Thank you for everything! I look forward to many future events together.

The wedding was magnificent and all the touches you encouraged me to make ... were well worth it! Many have said it was the nicest wedding they had ever been to. Only the best to you! Thanks again.

Thank you so much for putting up with me in planning the reception for Michelle and Stephen. Hank and I didn't get the appetizers but guests told us they were delicious. The food was delicious. Thanks again for your expertise in making the reception one Michelle will remember for a long time.

We can't thank you enough for all your hard work with Mindy and Eric's wedding. The room looked magnificent, the food was delicious, and the day and evening went very smoothly. People are still calling to let us know how fabulous the appetizers were. We were extremely pleased with everything and so happy that we had the wedding at your hotel. Thanks for everything!

I've been trying to compose a perfect thank you note to cap off my perfect wedding--- but I simply don't have enough superlatives in my vocabulary!!! The menu that we enjoyed at the tasting was exactly the same at the wedding. The flowers and lighting that you suggested made the Grand Ballroom look so beautiful. Your agenda ran seamlessly, every detail was perfect and because of that, we had a great time! You did a phenomenal job!

Cathy- Glenview, Illinois
